

Living Legend event ready to go

Final arrangements are under way for the Fifth Quadrennial Living Legend and Honors, Oct. 11. The event will be held in the Heritage Room, Amarillo Civic Center. It honors

John G. O'Brien of Amarillo, a longtime financier for Panhandle oil and gas companies and president of PPROA, 1956-58.

The outpouring of sponsorships from O'Brien's business

associates and friends could make this the largest Living Legend celebration of the series. It was instituted by the Association 1992.
