GOVERNMENT RESOURCES OPPORTUNITIES

During the first quarter, fifteen Government Resources Auctions were held on the EnergyNet Platform, resulting in over 924,000 acres leased across eight states.

The second quarter will bring twelve sales to the EnergyNet Platform, from the States of Colorado, New Mexico and Utah and various Bureau of Land Management Offices, including New Mexico and Wyoming.

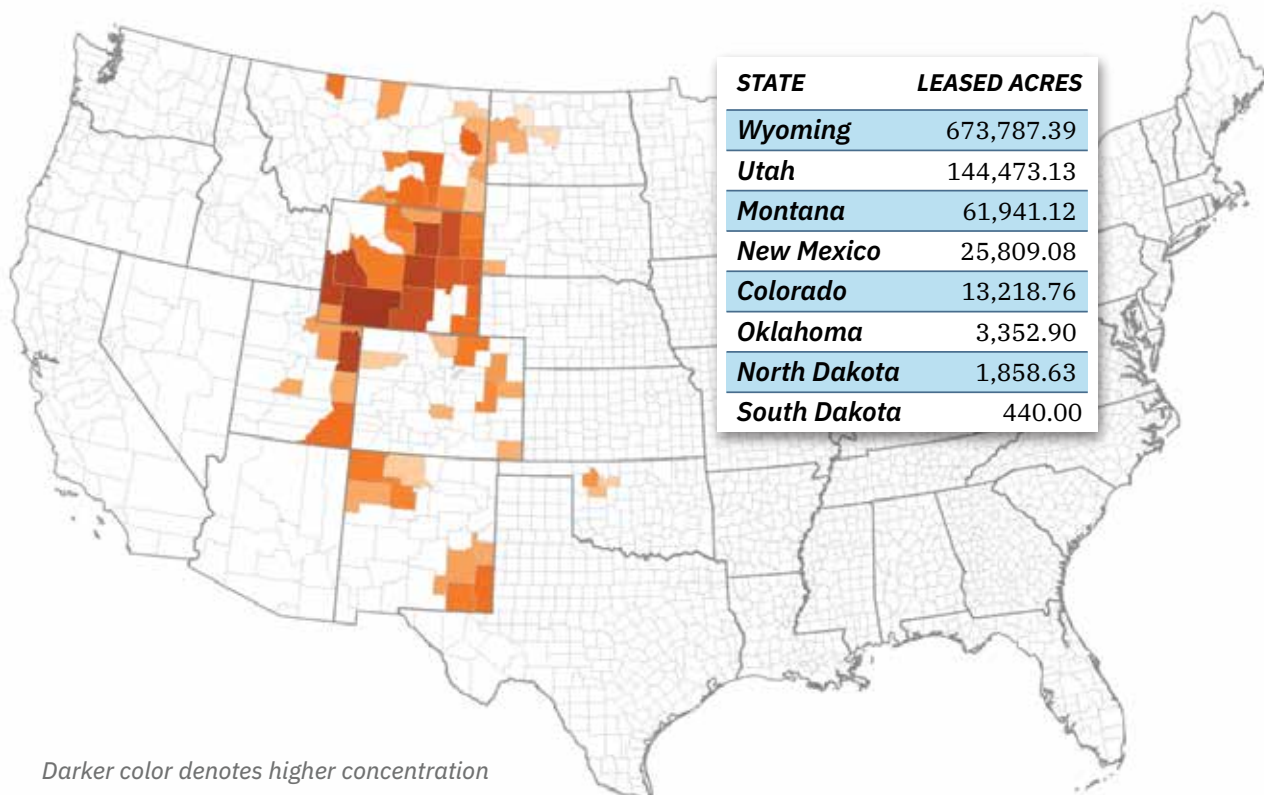

The University Lands of Texas has issued a call for nominations for an October sale. The nomination period will be open until August 1, 2019. For additional information on the process, and to nominate parcels, email: LeaseSale@utsystem.edu. The definitive sale date will be announced in the coming weeks. Pertinent parcel information will be posted on the EnergyNet Platform.

The nominations period for the Texas General Land Office 2019 Fall Sale is now open. The exact sale date is to be determined. To nominate parcels, contact George Martin at the Texas General Land Office: george.martin@glo.texas.gov. Parcel information will be made available on the EnergyNet Platform.

Detailed results for past auctions may be viewed on the respective agency websites, with bid history and final results available at https://www.energynet.com/page/Government_Sales_Results.

Upcoming Government Resources Opportunities may be viewed at www.energynet.com/calendar.pl. 

2019 Q1 LEASED ACRES ON THE ENERGYNET PLATFORM

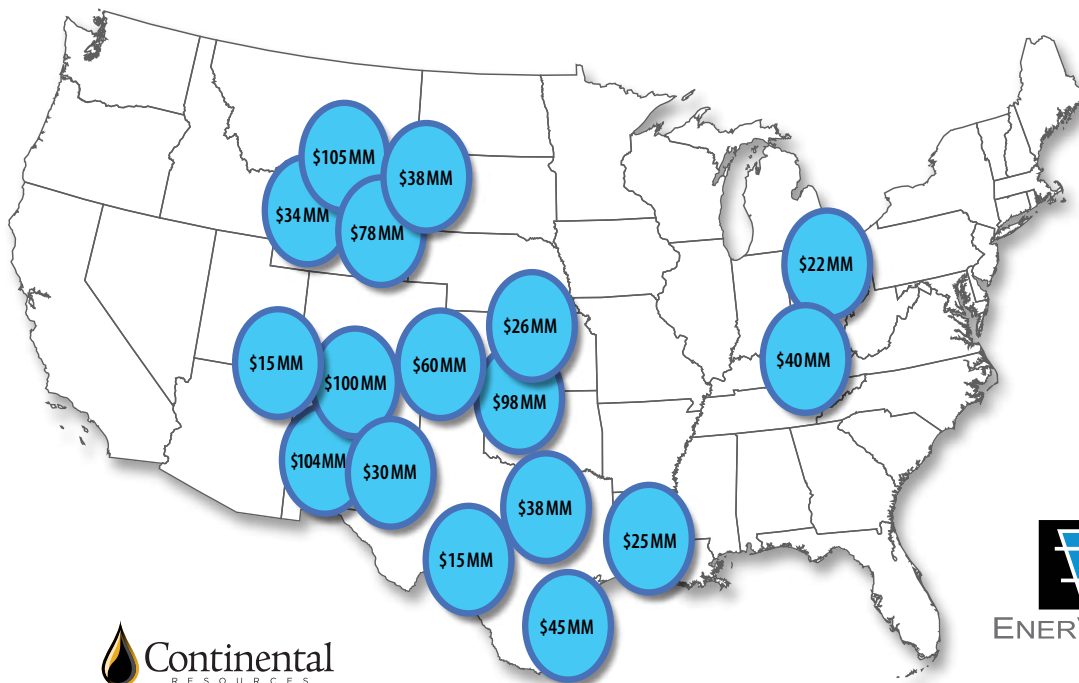

AN UPSIDE STORY TO TELL: ENERGYNET IS MARKETING HIGHER-VALUED DEALS

Over the past 36 months, EnergyNet successfully closed 95 individual transactions valued between \$10MM and \$175MM for our clients.

Many of these deals had significant upside stories and complexities. The EnergyNet Technical Team was able to explain the components and intricacies and capture full value for the upside.

Reputable, well-known Sellers are trusting EnergyNet to market and successfully close their higher-valued asset divestments and we are consistently executing. We successfully executed asset transactions for Chevron, XTO, BP, ConocoPhillips, Anadarko, EOG Resources, Marathon, Devon, Apache, Encana and SM Energy. 

CONSIDER CHOOSING ENERGYNET TO DIVEST YOUR HIGHER-VALUED ASSETS

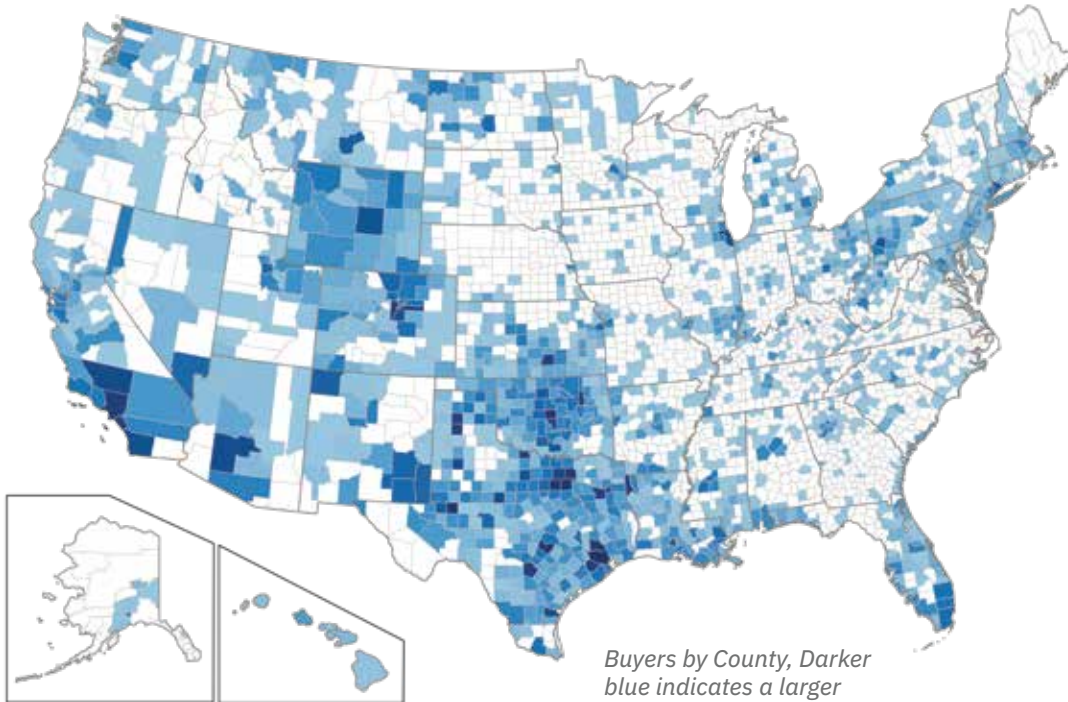

The EnergyNet Team is comprised of expert veteran deal marketers and negotiators, engineers, geologists, financial and technical analysts. Our Team works tirelessly to obtain maximum value for your assets and get your deal to the finish line. We are not delegators; we are Doers.

EnergyNet lives and breathes the A&D Market, and with our finger on the pulse, we notice every nuance. In completing over \$6.5B in asset transactions on behalf of a Who's Who of Sellers, we have unique insights in to the A&D trends and unparalleled market reach. In just the past 18 months alone we successfully sold assets for Chevron, XTO, BP, ConocoPhillips, Anadarko, EOG Resources, Marathon, Devon, Apache, Encana, SM Energy and many more.

CONSISTENT EXECUTION: What is the knowledge gained from one asset sale? From the perspective of the Seller, from the Buyer and from the Advisory Firm? What if you compounded that knowledge and experience 1000x year in and year out. That's the experience and knowledge EN possesses. 

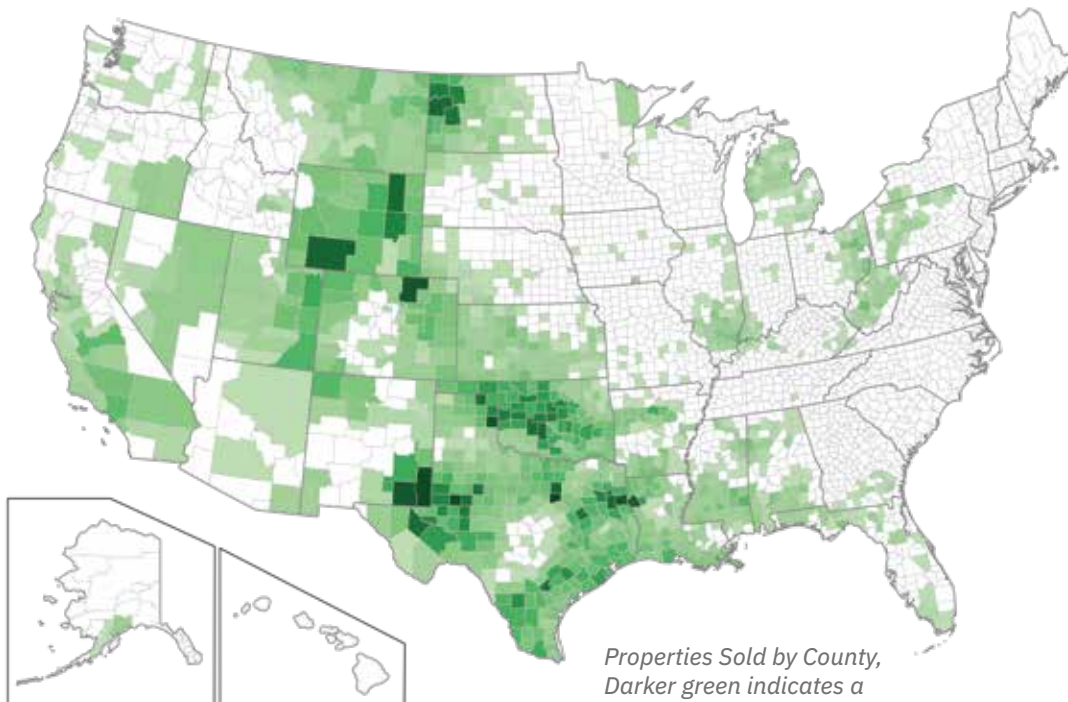

MARKET EXPOSURE

Buyers by County, Darker blue indicates a larger concentration of bidders, Over 33,000+ Buyers

TRANSACTION EXPERIENCE

Properties Sold by County, Darker green indicates a larger concentration of properties sold, Over 50,000+ Transactions Completed
