The regional tract map depicts issued oil and gas leases and lease sale tract boundaries. Land status and boundaries are subject to change. Bidders are cautioned to verify land title, land available for leasing, and acres within a tract prior to bidding. This map is not intended to provide a detailed depiction of land status or ownership interests. For land status, ownership, and land survey information consult land records of the following agencies:

Alaska Department of Natural Resources <https://dnr.alaska.gov/landrecords>

US Bureau of Land Management <https://sdms.ak.blm.gov>

US Bureau of Ocean and Energy Management [www.boem.gov/alaska-ocs-region](http://www.boem.gov/alaska-ocs-region)

Data on this map are depicted at section- or township-level resolution. Base map data are from geospatial data maintained by the Department of Natural Resources and are available at <https://dog.dnr.alaska.gov/Information/MapsAndGis>. Base map data are in North American Datum, Alaska Albers projection. The use of multiple datasets from varying sources may result in discrepancies in coincident boundaries.
